

Personnel vs Entreprise, Registered vs Azure AD joined

Personnel

Azure AD joined uniquement

Entreprise

Hybrid joined, Autopilot ou changé manuellement en entreprise

Azure AD registered

Set up a work or school account

You'll get access to resources like email, apps, and the network. Connecting means your work or school might control some things on this device, such as which settings you can change. For specific info about this, ask them.

Alternate actions:

These actions will set up the device as your organization's and give your organization full control over this device.

[Join this device to Azure Active Directory](#)

[Join this device to a local Active Directory domain](#)

Next

Sans cliquer sur une des deux options en bas.

ou

Use this account everywhere on your device

Windows will remember your account and make it easier to sign in to apps and websites. You won't have to enter your password each time you access your organization's resources. You may need to allow them to manage certain settings on your device.

☐ Allow my organization to manage my device

[This app only](#)

Yes

Sans cocher. Le compte apparaîtra dans "Accès scolaire ou professionnel". Avec "This app only", il n'apparaîtra pas.
